Curate Design Flexibility

Curate offers a range of drawer front options that support a variety of design concepts throughout the closet and home.

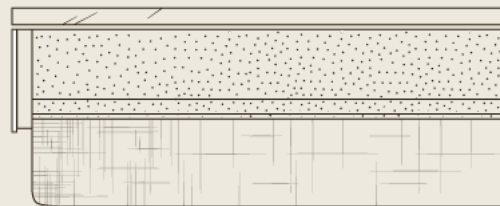

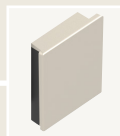

The Curate collection offers coordinating Front Plates for a sleek, elevated drawer finish, or customize the look with a drawer front. This flexible system accommodates both inset and overlay drawer front installations with patented mounting brackets, allowing for seamless integration into any design style. The Integrated Mounting Brackets allow for partial or full size drawer fronts. The addition of a bracket attachment also allows for tall drawer fronts that can fully cover the Shoe Organizer and Laundry Organizer

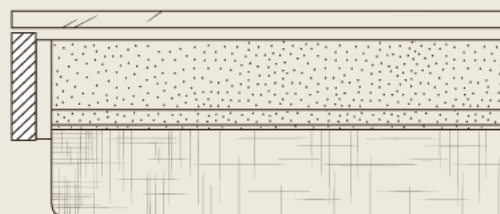

Integrated Mounting Brackets allow for easy customization with either **inset** or **overlay** drawer faces.

a. Front Plates

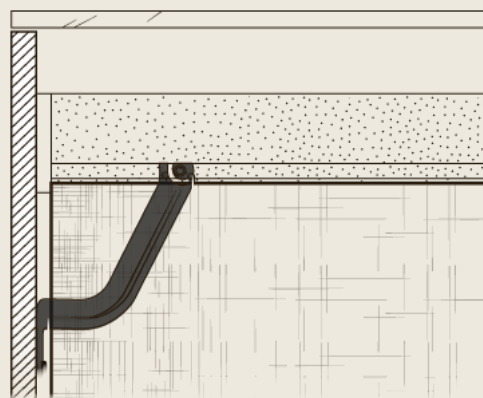

Coordinating Front Plates complement other accessories in the closet, such as handles and knobs. The sleek design and finishes of the front plates create a timeless look when added to the Curate frame.

b. Integrated Mounting Brackets

Integrated mounting brackets support accent fronts that align with surrounding panels while revealing the Seashell fabric, or full-height drawer fronts for a clean, continuous look.

c. Tall Drawer Fronts

Integrated mounting brackets support drawer fronts of varying heights, including taller fronts enabled with an optional bracket attachment. This flexibility allows for a more continuous, tailored drawer appearance across the Curate system.
